13th July 2021

Dear Year 6 parents/carers,

Year 6 Leavers' VIP Lunch

Please note that on the final day of term, 21st July 2021, Year 6 pupils will be treated to a special VIP Lunch as part of the celebrations on their final day at Sacred Heart School.

As all pupils will be provided with lunch by the school, there is no need for parents/carers to provide lunch on that day. Of course, if you prefer, your child can bring in a home-packed lunch. If this is your preference, please notify the school office.

Any lunch bookings already placed in advance on the school's online system will be cancelled (and refunds made where this is applicable).

We hope that this additional treat will further add to the pupils' enjoyment of their special leaving day.

Regards,

Sacred Heart School Office
