Dear Parents/Carers,

At Sacred Heart we have for a long time tried to encourage children to cycle or scoot to and from school and taken part in many cycling and scooting initiatives throughout the year. It is always very encouraging to see so many children cycle or scoot even when the weather is wet and windy.

Recently however we have noticed that the bike shed between the atrium and the playground have become overcrowded which has caused children, parents and teachers difficulty in placing bikes and scooters in the shed at the beginning of the day and retrieving them at the end.

Therefore after half-term can bikes be left in the bike shed at the front of the school in front of the junior building and scooters in the shed between the atrium and playground. The bike shed at the front of the school will be locked during school hours but you are welcome to use your own bike locks as well.

Thank you for your co-operation.

Mr Kevin Stoner  
Assistant Headteacher
