		To broaden the sporting opportunities and experiences available to pupils.		
Replenish PE Equipment and resources (including adequate storage).	£2420	To purchase the required resources needed to provide a high quality and varied curriculum and extra-curricular opportunities. To ensure that every child can fully participate in PE lessons and extra-curricular clubs.	Getting children used to high quality equipment during PE lessons. Children becoming more active during the school day. More pupils achieve within PE. Equipment is well looked after and kept safe.	PE equipment that can be used for many years. New sports introduced in curriculum time and promoted to children. Children take up new sports and activities. The school improves at competing in these activities.
Sports Events throughout the school year run by SPSSA and Deanery Sports Committee and transport to and from competitions and fixtures.	£4000	To give Reception, KS1 & KS2 children the chance to represent their school in a sporting event. To get children to school games events. To provide all children with the opportunity to be able to participate.	Children represent school in a sporting event improving their confidence, fitness, ability, well-being and self-worth. Children can attend as many sporting events as possible.	School sport profile raised within the school. A sporting ethos created and maintained.

Playground equipment/activities	£2000	To provide all children with the opportunity to be active during break and lunch times.	More children active at break and lunch times. Less active children encouraged to join in physical activity.	Healthier and fitter pupils who enjoy physical activity and play. Increased uptake of least active pupils which further promotes physical activity and sport in the school.
Trophies and medals	£500	To reward the children who have performed to a high standard and/or progressed well in PE. Participation in Cross Country	Children to have proof of participation. Have something to work towards. Promotion of school sport across the school.	Increased awareness of PE and sport across the school creating an ethos whereby children want to be involved.
SPSSA, Football and Netball Fees	£4500	League fees for Netball and Football YST affiliation fees.	Gives the children the chance to represent their school in football or netball in a league.	Increased participation levels. SEN and G&T pupils also provided with opportunities, promoting sport to all pupils at the school.
Swimming	£1000	Children unable to swim 25m unaided are given an intensive course of swimming lessons in the Spring term to help them meet the requirements of the National Curriculum.	Supporting year 6 to achieve their 25 meter certificates. Working with lower attaining swimmers to improve water skills – badges and levels to be provided. Swimming tracking system up and running for all of current KS2 – support future planning for swimming lessons and assist in targeting the need.	Profile of PE raised within the school. Pupils who are achieving and want to participate.
Cycling for EYFS	£1300	To teach all reception children to be able to ride a bike.	Children who are confident and have increased skills.	Raised standards in PE and sport at EYFS and KS1 feeding into KS2.

Kit	£2000	To enable pupils to represent their school.	Pupils who feel proud to represent their school and have increased confidence as a result.	Profile of sport at the school raised. Pupils who want to be part of a team and representing their school.
