Dear Parents/Carers,

**MORNING AND AFTER SCHOOL CLUBS – Autumn 2021**

Looking ahead to the up-coming term, we are delighted to have a number of clubs back on offer and we would advise that you take the opportunity to sign up to as many as you can and try something new!

**Please note the following important information:**

- This term's after-school clubs will **begin w/c Monday 13<sup>th</sup> September** and shall finish on **Friday 10<sup>th</sup> December**.
- **All clubs start at 3:15 and finish at 4:15 promptly.**
- The cost for each club will be **£25** for the term. These charges have been calculated to cover costs of coaching and the resourcing for the clubs on offer. Morning sports clubs are free of charge and numbers are limited.
- **Across the autumn term, after-school clubs are only open to Years 1 – 6.** We hope to open clubs to our Reception pupils after their first term, in the new year, when they have settled into school life.

**You can register your child's place on our School Money site. Parents/carers must make payment to secure your child's place. Governmental guidance advises that schools prioritise places in extended school provision for the children of parents who are reliant on this provision to work and for vulnerable pupils. Therefore, we are applying a priority booking period for these priority groups as follows:**

**Mon 6<sup>th</sup> – Tues 7<sup>th</sup> Sept**

**Essential workers should place their bookings**

**Wed 8<sup>th</sup> Sept  
bookings**

**All other interested parents/carers should place their**

**Our booking site operates on a first come first served basis.**

While we are delighted that COVID19 restrictions have been lifted sufficiently for after-school clubs to resume. However, please note that circumstances and guidance for schools and the arrangements in place remain subject to change. For example, governmental guidance advises that, if an outbreak were to occur in a school or a local area, that restrictions to pupils attending after-school clubs may need to be re-implemented.
