3rd March 2021

Dear Parents and Carers,

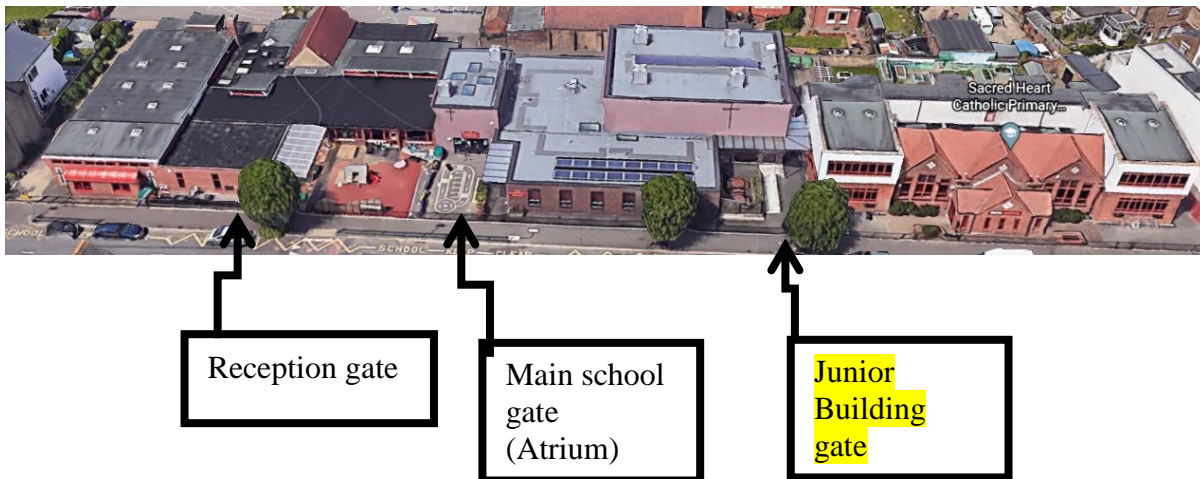

Breakfast Club from 8 March 2021(Reception – Year 6)

We are delighted that our Breakfast Club provision will continue when all pupils return to school on 8th March.

This club provision is open to Reception – Year 6. (Sadly, pupils from Nursery are not eligible for attendance at Breakfast Club due to statutory pupil:adult ratios.)

Please find below a reminder of the special COVID-19 protective measures that are in operation within our Breakfast Club provision:

- The club will run from 7.40am until each child's individual staggered school start time.
- All children must be dropped off by an adult at 7.40am, at the Junior Building gate (see appropriate gate **highlighted** below) and they will be brought through to the school hall by school staff. **We will not be able to admit late arrivals.**

- Children will sit in their year group bubbles, not mixing with other year group bubbles in order to maintain the protective measures in place across the wider school.
- In order to ensure that there is adequate staffing in place, Breakfast Club places will need to be continue to be booked and paid for a week in advance, using our online booking system. Unfortunately, we will not be able to accept children who turn up on the day without a place booked.
- The charge for this club be £6.00 per session. (In order to maintain the COVID-19 protective measures, additional staffing is required for this club provision and this results in increased charges for parents/carers.)
- Children will be offered a healthy breakfast and a range of activities that keep them occupied and socially distanced from children in the other 'bubbles'.

Places for this club should continue to be booked, and payment made, via our online booking system a week in advance.

Please note: Most importantly, please continue to check your child for symptoms of coronavirus each morning. Pupils who are unwell, and presenting any symptoms, should not attend school.

Please note: If this club becomes over-subscribed, priority will be given to children of key workers.

Please note: this club will only continue to run if there is sufficient demand amongst the school community to enable the club to be financially viable.

Kind regards,

Mrs Janet Mullally
Headteacher
