

MONEY

KNOWLEDGE ORGANISER

Overview

In our unit on money we learn to:

- Recognise Coins
- Recognise Notes
- Counting Coins

This learning is important because...

it helps us to understand the value of money and what different things cost. This will help us to be able to look after our money and spend it wisely.

Counting Coins

We can count up coins to make different amounts.

Notes and Coins

There are 100 pence in 1 pound. The symbol for pounds is £. The symbol for pence is p.

Pence

Pounds

Cost

-Items cost different amounts.

-E.g. The orange costs 15p. The car costs 50p. The water costs 25p.

-We can use different coins to make these amounts.
