**Online Learning and Class Site**  
**EYFS**

Dear Parent/Carer,

Before the summer holidays we provided a rich and engaging learning experience for children working at home using DB Primary. Although this was highly successful and the teachers produced some wonderful learning experiences we have decided to develop this further this year with the introduction of our **Google Class Site** for Reception and Nursery. Many of the reasons for this change have come from parent feedback sent and also a change in government guidelines.

**Class Site what is it?**

A class Site is a website that has been set up for each class in the school. It has information about the class and the site is where we share our class assemblies, events and home learning with each class. On each class site there will be a tab that says homework. Click this tab and there will be links to tasks to complete at home for homework. When you have completed a task or learning experience you will then be able to upload this to tapestry so teachers can see what you have been learning at home. Below are links to each class site:

<a href="#">St Patrick</a>	<a href="#">St Clare</a>	<a href="#">St Francis</a>
----------------------------	--------------------------	----------------------------

**How does my child log in?**

Your site is always available and there is no need to log in to access this, just click and save the link. The only time you will need to log in is into your tapestry account so you can upload photos of your children learning at home. You should have all your details already for Tapestry but any problems please call the office so that we know and can assist you in accessing this.

## Need More Support?

We understand that this is a new online platform and some of you may not have used Tapestry in the past. However we understand this can be daunting so have included some more tutorials below:

### [ADDING AN OBSERVATION ON TAPESTRY](#)

Thank you for your continued support to ensure that your children continue to access high quality learning at home.

Kind Regards,

Mr Bragard

Assistant Headteacher
