EYFS SNACK MONEY – AUTUMN TERM 2023

Dear Parents/Carers,

In our Early Years classes, children are provided with a variety of snacks each day, which include items such as toast, crackers, rice cakes, dried fruit, and a selection of fruit and vegetables. Children with special dietary requirements are also catered for. We often like to introduce new and different snacks linked to our topics or celebrations in the year.

We do rely on every parent making a contribution towards this cost and are always grateful for your support in ensuring we can continue in providing these snacks for your children. Snack money for the autumn term is now due for payment and is available to pay on School Money. The total amount payable is £20.00, spread over two £10.00 instalments which will cover the whole of the autumn term. The children benefit so much from sitting together and eating snack. Our snack times are valuable in enabling the children to eat socially together and for learning table manners. It also allows the children to develop independence skills by pouring their own drinks, selecting their food, clearing up any spillages and sometimes the washing up!

Children in Nursery who attend part time only need to pay for one instalment of £10.00

We can only continue to offer this exciting snack offer if ALL our families contribute. If you are unable to make this payment or would like to discuss this further please contact the school office.

Kind regards,

Mr Bragard
Early Years Lead
