Dear St.Peter Parents and Carers,

### **Remote Home Learning**

I am writing because the school is closed temporarily to most pupils. For pupils working remotely at home, there is an expectation that their education is continued remotely. There are clear plans as to what this education will look like and I will need your support to ensure that your child will not fall behind during this time.

The majority of remote learning will be shared via our Class Site. This can be accessed on mobile phones, tablets or laptops. St. Peter's Class Site can be found at the following link - <https://classroom.google.com/u/0/c/MTU3OTU4NjgxMTg4>

I will be posting some videos and daily tasks for your child to watch and carry out. This will hopefully minimise the amount of "teaching" you will have to do.

I will be providing, mostly:

- A maths video and task (am)
- A literacy video and task (am)
- A foundation subject video and task (e.g. history, PE, French etc) (pm)
- Some challenges for your child to complete
- Appropriate feedback on some of your child's learning.

Each day, I expect pupils will:

- Access their Class Site every morning and then again in the afternoon
- Watch the videos and complete the tasks in the green exercise books that I have already provided
- Upload a photograph of their work onto Google Classroom or complete the worksheet online
- Complete the work to the best of their ability
- Use the internet safely

As parents and carers, your role will be:

- To provide a space for your child to work
- Ensure they are in a daily routine to complete the work
- Encourage your child to work at the best of their ability
- To provide the correct equipment in order for your child to complete the work given

Your child previously brought home a remote learning exercise book to record their work in. These books must be kept and returned as evidence of their progress, when they return to school. Class teachers will provide feedback on Google Classroom, so will not be marking the work when it is returned. Sometimes, I may also post the answers to some questions so that you can mark your child's work with them.

If I find that pupils are not accessing learning and posting their work on Google Classroom, the school will make a phone call to check to see if we can help in any way to resolve any issues.

Please do not hesitate to message me via email directly if issues arise. The email address to be used for this purpose is as follows: [year4remotelearning@sacredheart.southend.sch.uk](mailto:year4remotelearning@sacredheart.southend.sch.uk)

I thank you in advance for your co-operation in making sure our children continue to learn and grow.

Yours sincerely,

Mr. S. Overton-Smith
