4<sup>th</sup> January 2021

Dear 6 Parents and Carers,

### **Remote Home Learning**

Firstly, I would like to wish you all a happy New Year. As you are aware, our school is closed temporarily to most pupils. For pupils working remotely at home, there is an expectation that their education is continued remotely. We have made clear plans as to what this education will look like and we will need your support to ensure that your child will not fall behind during this time.

The majority of remote learning will be shared via our Class Site. This can be accessed on mobile phones, tablets or laptops. St. Philip's Class Site can be found at the following link - <https://classroom.google.com/u/1/h>. We have practised accessing and using this site during our ICT lessons and so your child will have had experience of what they need to do.

I will be posting daily videos and tasks for your child to watch and carry out. They will be as detailed as possible in order to minimise the amount of "teaching" parents have to do.

As the class teacher, I will be providing, as a minimum:

- A maths video and task (am)
- A literacy video and task (am)
- A foundation subject video and task (e.g. history, PE, French etc) (pm)
- Some exciting challenges for your child to complete
- Regular feedback on your child's learning

Each day, I expect pupils will:

- Access their Class Site every morning and then again in the afternoon
- Watch the videos and complete the tasks in the exercise books provided or using Google Slides, if appropriate
- Upload a photograph of their work on Google Classroom, complete the worksheet online or upload their work using Google Slides
- Complete the work to the best of their ability
- Use the internet safely

As parents and carers, your role will be:

- To provide a space for your child to work at
- Ensure they are in a daily routine to complete the work

- Encourage your child to work at the best of their ability
- To provide the correct equipment in order for your child to complete the work given

Your child previously brought home a remote learning exercise book to record their work in. These books must be kept and returned as evidence of their progress, when they return to school. I will provide feedback on Google Classroom, so will not be marking the work when it is returned. Sometimes, I may also post the answers to some questions so that you can mark your child's work with them.

If I find that pupils are not accessing learning and posting their work on Google Classroom, we will make a phone call to check to see if we can help in any way to resolve any issues.

Please do not hesitate to message me directly if issues arise. The email address to be used for this purpose is as follows: [year6remotelearning@sacredheart.southend.sch.uk](mailto:year6remotelearning@sacredheart.southend.sch.uk)

Year 6 had a fantastic start to the year last term – I am so proud of all they achieved. I sincerely hope that, despite being separated at this time, they can continue to learn and grow and I want to thank you in advance for your support in making sure this can happen. I cannot wait to welcome all the children back to class as soon as we are able, so we can continue our learning journey together.

Yours sincerely,

Mrs Robb
