IMPORTANT: New Class Sites

Dear Parents/Carers,

During lockdown, as a school, we had to learn how to complete many tasks remotely that we would normally do on site. One of the main methods of communication we used was Google Sites. We used these for a variety of things that we would, in normal times, do face to face including transition pages, Year 6 leaving page etc. The use of Google Sites during this time has led to us thinking about developing new ways to communicate information to parents in the future.

Our first step in this process is to create a class site for every class. The purpose of this is to have a central site for each class rather than having lots of different sites for different purposes. At the beginning of the year the class site will contain information about the class that would normally go out in paper form as an information booklet. Over the year it will develop further with the introduction of virtual "share a prayer" assemblies, curriculum overviews, special events/celebrations etc.

Below is a table with all the class links. Click on your child's class to take you to their class site and the information page:

St Patrick	St Clare	St Francis
St Padre Pio	St Maximilian Kolbe	Mary Mother of God
St Joseph	St Michael	St Gabriel
St Peter	St Paul	Our Lady of Lourdes
St Bernadette	St Philip	

We hope that this will be an effective way to communicate all class information and special events linked to your class as we move forward.

Mr Bragard
 Assistant Headteacher
