Dear Parent/Carer,

Due to Covid-19 restrictions it has been impossible to participate in our usual school sport competition calendar. Thankfully our Southend Primary School Sports association (SPSSA) have been creating virtual competitions for schools to compete in.

I am delighted to share with you that next week during your child's PE lesson **every pupil** will be taking part in a whole school personal challenge in the form of skipping. For the challenge, pupils will skip for one minute and it will be counted how many they can complete in that time. Children will be participating in age categories and top scoring results from each category will be sent to our School Games Officers who work for the SPSSA. They will then create a leader board from all the schools taking part in the Southend area.

Yours Sincerely,

Mr. Jarvis  
PE Teacher
