Dear Parents/Carers,

Last year, before COVID-19, we had introduced attendance incentives and rewards for children and families. Now that we are in a more secure position with COVID-19 through intense vaccinations and testing we feel it is time to introduce these incentives and rewards once again. Below is a reminder of the incentives and rewards.

Weekly Attendance Rewards

Each week a class from the infants and one class from the juniors get rewarded with a class certificate for the best attendance for that week. Alongside this we have sponsored two animals from Born Free Foundation. The class will get to keep the booklet and stuffed animal in the class for the week and learn about the need to protect these endangered species.

Alongside this we will also be giving 15 minute rewards to classes who have attendance above 97% each week. This will be done through our "Attendance Wheel of Fortune." There will be class rewards such as extra play, Ipad time, Laptop time, Mindfulness Colouring etc.

Termly Attendance Rewards

We have been fortunate enough to have been sponsored again by "The Fat Pizza" company for our rewards. Each half term we will be looking to see which class has the best attendance. The class with the best attendance will get a pizza party just for them in the hall.

100% Attendance Rewards

We understand that coming to school every day is a real achievement so we will be giving out certificates to all the children that have attended school every day for each half term. These children will get entered into a raffle where one child in the infants and one child in the juniors will get a pizza delivered to their home on the Friday of that week from "The Fat Pizza."

We truly believe that attending school every day really matters and makes a difference in children's lives. Through positive rewards and supporting children and families we hope to make a positive impact for all our children at Sacred Heart School.

Kind Regards,

Mr Bragard
Assistant Headteacher
