17th November 2020

Dear Parent/Carer,

Remote Home Learning Offer - Years 1 & 2

We are writing to provide you with some updates and guidance in relation to our remote home-learning provision for pupils in Years 1 and 2. This relates to the remote online provision that will be available if your child/their class bubble would need to self-isolate for reasons related to COVID-19.

The remote home-learning provision for Years 1 and 2 will operate as follows:

- Your child's **Class Site** will be used by class teachers to upload your child's home-learning tasks and any associated information
- Parents should use **Tapestry** to submit completed tasks that have been completed at home

Therefore, it is vital, if you have not done so already, that you return your Tapestry Agreement form and set up a Tapestry account so that it is ready for use.

You may be aware that we indicated previously that we were trialling the use of 'Google Classroom' to support remote home-learning. Thank you to parents/carers for supporting your child's use of Google Classroom during this trial period. Having trialled its use, it has become clear that Google Classroom has proven to be too complex for our youngest children.

Please read on for some further information on how our remote home-learning will work - which we hope that you will find useful.

Google Class Site - What is this?

A Class Site is a website that has been set up for each class in the school. Your child's Class Site contains general information relating to that class; it is also used to share details of class events, including Class Assemblies. Your child's remote home-learning offer will also be hosted on their Class Site.

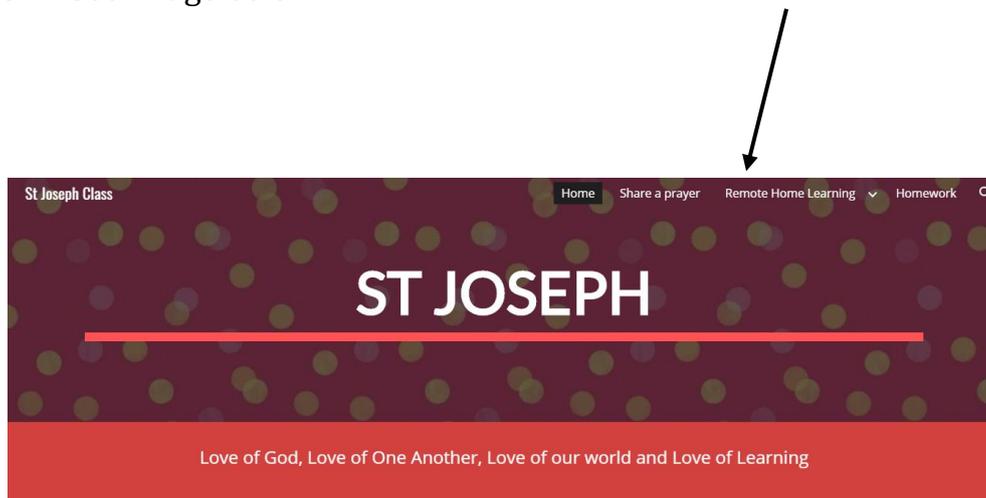

Your child's Class Site can be found at the relevant link below:

St Padre Pio	St Maximilian Kolbe
Mary Mother of God	St. Joseph

Remember to save the link above to your child's Class site for use in the future.

Google Class Site - How do I find my child's remote home-learning offer?

To locate the section of the Class Site that hosts your child's Remote Home-Learning offer, please click on **the tab named 'Remote Home Learning'** at the **top right-hand corner of the screen**. See image below:

The Remote Home Learning Page provides you with a **Weekly Overview plan** for the week to help you understand how to approach the learning for each lesson. You will also be provided with all **additional resources** required for you and your child to use for each lesson. Use the Contents section on the page to help you locate the necessary learning resources for any particular day. See images below:

MONDAY ADDITIONAL RESOURCES

ENGLISH

- Questions to answer for English:
1. Who is the Author?
 2. Is this a fiction or non-fiction book?
 3. Who are the main characters?
 4. Can you tell your grown up what happens in the opening of the story?
 5. Can you identify the settings in the story?

How does my child send their completed task to their class teacher?

Completed tasks should be sent to class teachers by uploading a photograph to Tapestry. Teachers will then be able to see what you have been learning at home and comment on your work.

How do I log in to my child's Tapestry account?

You should have previously received information on how to create and log into your child's Tapestry account. If you have any problems in regard to creating or accessing your Tapestry account, please contact the school office where we will be happy to assist you.

Need more support in your use of Tapestry?

We have provided a tutorial which provides further support on how to upload completed learning tasks to Tapestry. Click on the link below to view:

[ADDING AN OBSERVATION ON TAPESTRY](#)

Thank you for your continued support to ensure that your children continue to access high quality learning while working remotely at home.

Kind regards,

Mr Bragard
Assistant Headteacher
