Monday 19th July

Dear Our Lady of Lourdes Parents and Carers,

Remote Home Learning

We are writing because the class bubble is closed for reasons related to COVID-19.

For pupils working remotely at home, there is an expectation that their education is continued remotely. We have made clear plans as to what this education will look like and we will need your support to ensure that your child will not fall behind during this time.

The majority of remote learning will be shared via our Class Site. This can be accessed on mobile phones, tablets or laptops. St Joseph's Class Site can be found at the following link - <https://classroom.google.com/c/MTU3OTU5MDY1OTE2> If you require support with a school device please contact the school office office@sacredheart.southend.sch.uk for this to be arranged.

We will be posting daily videos/links and tasks for your child to watch and carry out. This will minimise the amount of "teaching" parents have to do.

Each day, class teachers will be providing, as a minimum:

- A maths powerpoint/video and task
- A literacy powerpoint/video and task
- A foundation subject powerpoint/video and task (e.g. history, PE, French etc)
- Reading and spelling activities
- Regular feedback on your child's learning
- Collective Act of worship suggestion

Each day, we expect pupils will:

- Access their Class Site every morning and then again in the afternoon
- Watch the videos and complete the tasks on paper
- Upload a photograph of their work onto Google Classroom or complete the worksheet online
- Complete the work to the best of their ability
- Use the internet safely

As parents and carers, your role will be:

- To provide a space for your child to work at

- Ensure they are in a daily routine to complete the work
- Encourage your child to work at the best of their ability
- To provide the correct equipment in order for your child to complete the work given

A live meeting session will be held at the time outlined below. This will be an opportunity for the children to speak with the teacher about work set, complete spelling test and to say goodbye to Mrs Overton-Smith, Mrs Sowerby and their peers for the summer.

Your child can complete work on a piece of paper and then a photo submitted via Google Classroom. The class teacher will provide feedback on here and may also post the answers to some questions so that you can mark your child's work with them.

If the Class Teacher finds that pupils are not accessing learning tasks and posting their work on Google Classroom, we will make a phone call to check to see if we can help in any way to resolve any issues.

Please do not hesitate to message your child's class teacher directly if issues arise. The email address to be used for this purpose is as follows:
year5homelearning@sacredheart.southend.sch.uk

We thank you in advance for your co-operation in making sure our children continue to learn and grow.

Yours sincerely,

Mrs E Crabb
Deputy Headteacher
